

interchange with connecting carriers; payment for services rendered or received including credit rules and privileges and the enforcement (including suspension and restoration of credit privileges thereof among the member lines) and any other ancillary services in connection with ocean transportation of cargo;

2. Reserving the right of independent action, discuss and enter into agreements with other carriers serving the trade not members of this Association or other conferences serving the trade or the foreign destinations of the trade; provided, however, such agreements shall not be implemented until filed and effective pursuant to the terms of the Shipping Act, 1984.

3. discuss and exchange information including statistics or compilations or analyses thereof, relating to transportation conditions in the trade.

4. implement this authority through tariff or tariffs including an individual member separate tariff or sections in tariffs pertaining to service in the trade as described herein; provided however, that a member who is also a member of another Association whose
